### **UM HIRES NEW DIRECTOR FOR BUSINESS SERVICES**

#### **MISSOULA --**

James R. Darcy, a certified public accountant, has been selected as the new director of Business Services at The University of Montana.

Darcy comes to UM from the University of Texas Health Science Center in Houston, where he has been director of accounting since 1984. He received his master's degree in business administration from the University of Houston in 1982.

Darcy replaces James Taylor, who retired in November after working for the University and the UM College of Technology for 32 years.

Darcy begins his duties on March 12. He will be responsible for recording and reporting all financial activities for the University, disbursing and collecting funds, acquiring and inventorying University assets and assisting affiliated campuses with fiscal matters.
